SEASON 2019 PREDICTIONS

WITH JAIKE ALTIERI

FIRST GRADE MEN'S

@AFLCANBERRA

2018 SUMMARY

The 2018 season was one of ups and downs for many clubs, with Belconnen holding a top two position on the ladder all year, only to lose to Eastlake in the preliminary final. Gungahlin were ever improving and played some good footy towards the end of the season, with Tuggeranong's struggles continuing, finding themselves at the bottom of the table. Eastlake would be hanging around all year, coming from fourth on the ladder to make it to the Grand Final, but Ainslie would beat them convincingly, winning their third premiership in a row.

THIS MONTH

But a new year brings new opportunities and the first month of season 2019 will show who the premiership contenders are. Expect Queanbeyan to be towards the top early on with a slightly easier fixture, facing Tuggeranong and Gungahlin in the first two rounds of the season. Ainslie also face the Hawks and Jets inside the first month and will look to take advantage of those matches early on. Eastlake will host Ainslie in the first Grand Final rematch under lights at Football Park in round 4. Every club will be looking to start the year strong but none more so than Belconnen and Eastlake, who play every finalist from 2018 within the first month. It's a tough fixture for both clubs, but good wins early will give them a huge confidence boost for the remainder of the season.

STAR POWER

Midfielders such as Beau Walker and Josh Bryce should light up the centre with hardness at the contest as well as clean skills on the outside to make the most of their opportunities. In saying that, power forwards such as Hayden Armstrong who'll relish the 1 on 1 opportunities that will come with the new rules.

ROOKIE WATCH

Belconnen young gun Max Monaghan will be close to making a first-grade debut during the season, after starring in two second-grade matches last year. Will Spencer finally cracked into the first-grade team for Ainslie last year on the back of some great form and expect him to add to the game tally this year..

SEASON 2019 PREDICTIONS

WITH JAIKE ALTIERI

UNSW CANBERRA FIRST GRADE WOMEN'S

@AFLCANBERRA

2018 SUMMARY

The 2018 season was a close year, with Ainslie heading into the final round tied with Gungahlin on points, with the winner advancing into the finals. Ainslie got the win and rolled into the finals, unfortunately losing to Queanbeyan in the Semi-Final. Belconnen were atop of the ladder all season and looked the premiership favourite heading into the finals before bowing out in straight sets after losses to Eastlake and Queanbeyan. Tuggeranong unfortunately found themselves at the bottom of the table, but with two wins to their name it should give them some confidence that they can compete in season 2019. Gungahlin would still be rueing missed opportunities after missing out on a finals spot after a last round loss to Ainslie. Queanbeyan were competitive all year and showed how good they were when it mattered in the finals, making it to the Grand Final after finishing in third place on the ladder. But it was Eastlake who had the last laugh, winning the 2018 premiership in a strong display against the Tigers.

THIS MONTH

The first month of the 2019 UNSW Canberra First Grade Women's competition sees a Grand Final rematch in Round Three with Eastlake hosting Queanbeyan at Football Park. The first month is a very level playing field for all teams and will be a big stepping stone for teams to show early favouritism for the flag in 2019. Players will also be looking to perform their best in order to gain selection to compete in the inaugural North v South Representative Round in May. Round 1 has the top two teams from last year, Belconnen and Eastlake, matching up to open what should be a mouth-watering year for women's football in Canberra.

STAR POWER

Expect back-to-back Bainrot Medallist Britt Tully to be red hot again in season 2019. The three time consecutive best and fairest winner will look to continue the hot streak and lead the Tricolours into the finals this season. Britt, listed for the GIANTS will also feature in their VFL side in five exhibition games commencing from May 2019.

ROOKIE WATCH

Belconnen have some great young stars running around for them, with young gun Emily Pease as well as former NAB Womens AFL Academy member Maggie Gorham. ng from May 2019.
